

Hug Me

Lyrics: Henri Växby Music: Jannike Sandström & Niklas Rosström.

I Rest my case today
My heart's out on display hey hey hey hey
And still
I Wonder what to say
Be frank and if I may hey hey hey hey

I will
Loose all the phrases
Leave them in the morning sun
A smile on our faces
Lighten up now everyone

Wapa pa da da! Give me a Hug!
Wapa pa da da! Pa dada da
Hug me, hug me
When words no longer
will carry their weight
Hug me, hug me –that´s all I need

I have this tune to play
A lifelong hip hooray hey hey hey
But still
my words just slip away
A silent price to pay hey hey

I will
Loose all the phrases
Find another way to be
Slowing the pace
Is how we get there you and me

Wapa pa da da! Give me a Hug!
Wapa pa da da! Pa dada da
Hug me, hug me
When words no longer
will carry their weight
Hug me, hug me –that´s all I need

Love, love, love Oh-oh
All I Need
Love, love. love Oh-oh
I´m telling you it´s all that I will ned
Love, love, love Oh-oh
Set e free
Love, love, love
Set me free!

Loose all the phrases
Hold to the evening sun
The smile on our faces
lingeres on when we are gone

Wapa pa da da! Give me a Hug!
Wapa pa da da! Pa dada da
Hug me, hug me
When words no longer
will carry their weight
Hug me, hug me –that´s all I need x 2
