

In your head

Lyrics: Jannike Sandström & Niklas Rosström. Music: Jannike Sandström, Niklas Rosström, Janne Hyötö

Excuse me, what did you say?
Hey I'm not playin' your game
Don't wanna, don't wanna
hear bout this again

You've got to make a change
cuz this makes no effing sense
You're gonna, hope you're gonna
see it soon enough

Stupid made up story lines
make bad reflections in your mind
Don't you go there! Can't you
see, can't you see?

It's in your head
All in your head
It's in your head – so I don't care
what you think about me
Head, all in your head
It's in your head – and I really don't
care what you think about me

So, thank you I didn't know
I'm starring – in your show
Stop caring, stop sharing
I am what I am

There are fools without a dream
Chasing pavements, Love supreme
Don't you go there! Can't you
see, can't you see?

It's in your head
All in your head
It's in your head – so I don't
care what you think about me
Head, all in your head
It's in your head – and I really
don't care what you think
about me

Can't you see what it's
all about, all about,
Can't you, can't you see
what its all about..
You don't understand?
Can't you see what it's
all about, all about,
Can't you, can't you see
what its all about..
Try to understand!

It's in your head, all in your
head
Head! So I don't care what
you think about me

It's in your head
All in your head
It's in your head – so I don't
care what you think about me
Head, all in your head
It's in your head – and I really
don't care what you think
about me
